## Other academic information:

This is a co-sponsored study abroad program. You may choose from all of the courses offered in Interdisciplinary Terms I and II.

**Grading and Credit Transfer-** A full description of the evaluation process is provided in the Cambridge Student Handbook. YOU MUST HAVE EVERY COURSE EVALUATED AT CAMBRIDGE IN ORDER TO RECEIVE CREDIT. This means that you will be required to write a final essay for each course. You will be required to turn in your essays at a specific time and place. If you submit the essay late, your grade will be deducted accordingly. Students participating in co-sponsored programs are subject to the grading scales and academic expectations of their host institutions.

Cambridge has its fine academic reputation for a reason, so you may find the courses and grading more difficult than MSU. Be prepared to meet the academic standards of your host institution and the grading scale that it uses.
