The “Pass/Fail” option is available only for the Summer or Winter Ulpan.

Other academic information:

The Ulpan (Modern Hebrew language intensive study) is required for all undergraduate students enrolling for a semester or year-long program except those who have received an exemption (*p'tor*) or placed into levels *heh* or *vav* on the Hebrew placement test. In addition, students are required to take Hebrew during the year according to their designated level.

Students are required to register for a minimum of 15 academic credits each semester where at least one course is in Israel, Middle East or Jewish Studies. Students in level *heh* or *vav* may fulfill their Hebrew language requirements by taking 4 class hours per week of courses taught in Hebrew each semester.

Credit will not be given to students who do not fulfill all class assignments or who do not take the final examination. Transcripts or certificates will not be issued to those who are absent from class without the teacher's permission
