**Explanation:**

- Credit conversion is based on a course-by-course basis. NOT based on the sum of credit earned.
- MSU credit conversion is based on ECTS credits. ECTS stands for European Credit Transfer System and provides a way of measuring and comparing learning achievements, and transferring them from one institution to another. ECTS credits are a relative value. The ECTS credit is 50% of this US credit value: i.e., ECTS credits x ½ = MSU credits. In ECTS, 60 credit points represent the workload of a year of study, 30 credit points are allocated to a semester and 20 credit points to a term.

Undergraduate students will be expected to enroll full-time and take between 12 and 15 credits at Comillas per semester.
